

Live your Dream!

If it has always been a dream of yours to live in a tropical paradise, then Philippines is the place for you! As a country with a stable economy, and home to many foreign national, this would be a sound financial investment in a friendly and peaceful country.

With so many square miles of land available for purchase currently, it has become relatively hassle-free for foreigners or Filipino citizens to enter into the market of investing into Philippine Real Estate. One of the main benefits is not only the abundance of ocean view property, but also that anyone looking for mountain or ocean view property can purchase it at a fraction of the cost as compared to buying it within their home country. This huge cost savings has made it affordable for modest income earners around the world.

Mediatrix Homes, Inc is 'developing paradise' in the Philippines. Mediatrix Homes purchase large quantities of raw land at discount prices and develop the properties in less than 18 months. Hence, the unique program in which investors can obtain developed land at undeveloped prices and why company President, Ernesto Tan says, "We are an investment company first and a real estate company second." Parcel choices range from valleys to mountains, to beautiful coastline property. Mediatrix Homes encourages investors to visit the Philippines to view their property.
